

Setting: Village Gates			
Character	Emotion	Action	Dialogue
Megmeg			See, I didn't get us lost! This is the village, exactly where I left it.
Megmeg		Runs into Snow Guardian	Woah!
Swordsmanship			Did you leave that snowman there, too? BWAHAHAHAHAHAHA!
Megmeg			Hey, what gives????
Patty-hime			Amazing! The snowman moves on its own!
Snowguard			The impure are not welcome.
Patty-hime			Oh dear! I promise, I have taken a bath today.

Setting: Village Gates			
Character	Emotion	Action	Dialogue
Snowguard		Attacks the group	
Snowguard		Walks up from the other side of the barrier	The impure are not welcome. Leave.
Megmeg			Sheesh!!! What's with this thing? One day, I'm the will of the gods, the next I'm impure????
Megmeg		Shows the bucket of fried chicken and cake she bought	Hey, don't be like that. It's me, Megmeg! I'm the girl from the shrine to help you train your new guardian. Look, I even brought a holiday present!
Snowguard			I am aware of who you are. I have also noticed what you're holding. Food from the outside world corrupts, so it is unwelcome.
Megmeg			O-oh! Uh, that's just...y'know. It's nothing!!!!
Swordsmanship			Have no fear, Megmeg. I shall take care of the food.

Setting: Village Gates			
Character	Emotion	Action	Dialogue
Swordsmanship		Eats the food	
Snowguard			You are still impure.
Patty-hime	sad		I'm sorry, guys. It's me. I hadn't bathed since last night. I don't sweat much since we haven't had any matches lately. I thought it would be okay.
Megmeg			Patty, I'm pretty sure that's not it...
Snowguard			If you want to enter the village, you may prove your purity by vanquishing the monster that has been plaguing the village. This will show that you carry the will of the gods within you, still.
Megmeg			Fine, we'll go vanquish your monster.
